

## Consent under data protection law to electronic invoicing

Dear invoice recipient,

As the world continues to digitalize and is threatened by climate change, we too at STIFTUNG - SPUREN - Gunter Demnig are trying to work in a paperless way. In future, we will be sending our invoices by email.

This will have various advantages such as:

- cost reduction
- greater efficiency thanks to integrated IT-supported processes - faster issuing of invoices
- fewer errors
- better ways of archiving
- simpler solutions in case of lost invoices
- greater satisfaction on the part of applicants

If you agree with our new invoicing policy, please sign our consent form and send it by email to Katja Demnig and Sonja Steinacker at **finanzen@stolpersteine.eu**  
If you do not agree or have questions, please contact Katja Demnig and Sonja Steinacker at the same address: **datenschutz@stolpersteine.eu**

Many thanks in advance!

Katja Demnig
